

Salt Storage Bin

Herrick Archives Building 258

A. IDENTIFICATION & LOCATION

1. Name

1.1 Never officially named by Board of Trustees action.

1.2 Alternate names noted:

Salt Shed

See Addendum No. 1

2. Location

2.1 Located at 2570 Kenny Road. See map below.

2.2 For greater detail, see Sheet 30 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

Treated plank on steel frame. Open on east side.

3.2 No. of stories:

One.

3.3 Increments of construction:

No additions.

3.4 The area of the building, exclusive of the braces to the west and apron on the east is 1,760 sq. ft. (48'x36'8")

See Addendum No. 1

B. PLANNING & CONSTRUCTION

1. The building was constructed by the Service Department with the Ed Ross Construction Company erecting the building and the University doing the site work.
2. Work began in early December 1973 with removal of the fence and filling of the ditch at the south side for a driveway. The foundation work was done by late January 1974 and the building construction was completed by early August 1974.
3. The gravel apron and drive were completed in mid-October 1974 and the building stocked with a supply of salt.

C. MISCELLANEOUS

The building is used for storage of salt to be used for snow and ice removal.
